

NOTES FOR CONTRIBUTORS

Preliminarily, an author should prepare the manuscript in accordance with the requirements for the article's design. Then the manuscript should be sent to editor's e-mail "politconcept@mail.ru, konstantinov@sfedu.ru (please duplicate for both addresses) with the note "article for the "Political Conceptology" magazine". (Articles that do not satisfy all the design requirements will not be taken into consideration for publication). After that manuscript should pass mandatory peer review, based on which the decision will be made to publish an article or not. Editors don't introduce authors to the texts of internal reviews but only notify them by e-mail about the editorial board's decision. If the author's article needs improvement, the reviewer will notify author. The editors reserve the right to make corrections without harming the author's main ideas. Manuscripts are not returned. All articles are published free of charge regardless of the author's status.

1. The article should be of no more than 1.5 quires - 60 thousand characters, typed in a format .doc (*Microsoft Word* or *OpenOffice.org*).

2. In the beginning of the article is an abstract (no more than 1000 characters) on Russian and English languages, as well as information about the author: full Name, academic degree and title, position, place of work, telephone numbers (work and home with the city code), email address (optional).

3. Text options: font Times New Roman, 12-point type, interval 1. Fields: top and bottom - 2 cm, left and right - 2 cm. The alignment of the text: in width. The indent (red line): 1 cm. Numbering of pages: not conducted. Pictures: black-and-white pictures, implemented in the text.

4. It is allowed to use Arial and Courier New fonts for the separate fragments of the text. It is also allowed to use a smaller font size for text fragments of minor importance. Font size in tables should usually be 2 points less than the font size of the main text. Pictures can be sent in colour, but it should be borne in mind that the magazine is published in black-and-white format.

5. Footnote are at the bottom of a page, made automatically. The numbering starts with a digit «1». (Please do not number manually with round or square brackets!).
